RE: Notice of Extension for Response to Public Records Act Request

On June 29, 2020, the City of Santa Rosa ("City") received your Public Records Act request.

The City is afforded ten (10) days from the date of receipt of your request to make a determination whether your request, in whole or in part, seeks disclosable public records in the possession of the City. In accordance with the Public Records Act, pursuant to Government Code Section 6253(c), the City will require an additional fourteen (14) days to make that determination for the reasons checked below:

- ☐ The need to search for and collect the requested records from facilities separate from the office processing the request.
- ☐ The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records that are demanded in a single request.
- ☒ The need for consultation with another department or agency that has substantial interest in the response to the requests.
- ☐ The need to compile data, to write programming language or a computer program, or to construct a computer report to extract data.

Accordingly, the City will respond to your request on or before July 23, 2020.

If you have any questions, you may contact me at (707) 543-3554 or [cbehler@srcity.org](mailto:cbehler@srcity.org).

Sincerely,

CARRIE L. BEHLER  
Administrative Secretary
